

CHATEAU
du
DOMAINE DE L'EGLISE
Pomerol

2004

The vineyard is located in the shade of the bell tower of Pomerol. It is one of the oldest estates in the Pomerol appellation. Its origin dates back to 1589. Belonging to the foundation of the Hospitaliers and the Church, it was sold in 1793 as a church property. It remained for a long time in the same family before being acquired in 1973 by Emile Castéja. Its vineyard, near to Pétrus, is mainly composed of Merlot. Château du Domaine de l'Église produces ample, round, enchanting, and also very elegant wines.
